

Women's Ministry - What Women Want

The momentum gained from the women's conference last year was fantastic. We were blessed with visiting Pastor Faylene Sparks who gave an insightful and powerful prophetic word for the women of our church. Many eyes were opened as to what God's purpose is for their life and we are already seeing the benefits of the thoughts she left us with.

This past year has been full of exciting events which have also grown and challenged our women in many areas of their lives. The first two events the Amazing Race and Girls Night In, focused on creating and building friendships and just having a great time in the company of great women (and don't forget the dessert!). We have also seen the creation of 'Secret Women's Business' which are mornings which focus on a woman's heart and growing women to their full potential in God so they can become better women, mothers, wives and friends.

Events we can look forward to for the rest of the year will be our annual Womens Conference with guest speaker Marie Cartlidge, 'What Men Want' a night focused on enhancing women's knowledge and understanding of "what men want" closing with a Christmas Party at the end of the year.
